

# Expert Analysis – Preserving The FCA Is Crucial In Trump's 2nd Term

In “Preserving The FCA Is Crucial In Trump's 2nd Term” (Expert Analysis, Law360, November 7, 2024), Pollock Cohen managing partner Adam Pollock discusses the False Claims Act, an essential tool in safeguarding the public fisc and maintaining corporate accountability.

Adam notes:

- If whistleblowers lose the ability or the incentive to report fraud, a crucial check on unethical behavior will be lost.
- Now is not the time to undermine ethical behavior, or reduce protections and incentives for whistleblowers.
- Preserving the FCA is crucial to maintaining a transparent, accountable government and protecting the integrity of federal spending in healthcare, defense, and beyond.
